NOV 10 2003

Serial No.: 10/091,223

Group: 1764

TC 1700

Filed: March 5, 2002

Examiner: A. Doroshenk

For: "Autothermal Fuel Gas Reformer Assemblage"

Response B Under Rule 116

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This is responsive to the Office Action dated October 28, 2003. Regarding the §103 rejection based on the combination of Dunster et al and Grasso et al, the Examiner has noted correctly that Applicant must provide a statement that the subject application and the Grasso et al reference were commonly owned or subject to an obligation of assignment at the time the invention described in the subject application was made. The required statement is contained on page 2 of this response.
